PRINTABLE: D.I.Y. SUMMERTIME ICE CREAM CONE HOLDERS

July 7, 2017

Did you know that July is National Ice Cream month?!

In celebration, we teamed up with SPUN to bring you a fun + free printable perfect for your next summer gathering. Perhaps they'll even inspire an ice cream social or two—because, there's really no better way to celebrate the best dessert on the planet than with a few of your favorite friends! *(Plus, there may be a special lil' discount in store for those who keep reading below...)*

We're not too picky when it comes to this delicious year-round treat. However, ever since SPUN opened their doors in East Austin in 2015, we've been obsessed! Ashley + Christina, the sister-duo behind this Austin sensation, have found a way to reinvent the wheel by turning the traditional ice cream shop experience into a fun and tasty science experiment. Their gourmet ice cream is hand crafted in small batches, with signature + seasonal flavors and toppings. Hint: They just released a Campfire flavor last month, and it's everything you ever dreamed a s'mores could be!

As if all of the flavors weren't tasty enough, SPUN takes it one step further by transforming your ice cream from liquid to frozen right before your eyes with the use of liquid nitrogen (which is a whopping negative 321°F) and a handy Kitchen Aid mixer. It not only makes for an exciting experience, but the flash freezing creates a velvety smooth texture and better
